### Reply to "Issue Notification"

Dear Mr. To,

This letter is to reply to your "Issue Notification" (Patent No: 7797276, Issue Date: 09/14/2010) mailed to me on August 25, 2010. I am glad that my patent application is finally granted by your office after a decade's examination process. Attached are copies of my US passport and the "Certification of Name Change". I want to use my current legal name and address to be printed on my patent.

I mailed the amended specification with original Claims 1-7 and an electric floppy containing the clean version to you on June 24, 2010 which was filed in your office on June 28, 2010. This is my final amendment of my patent application and is the version I want to be printed. I mailed the Issue Fee \$755 to the "Mail Stop ISSUE FEE" of your office on July 28, 2010. I have complied with 37 CFR 1.312 well. I only made some minor word amendment to the specification but I did not add any new matter. The amendment makes my statement more precise, clear and specific but not broaden or shrink any element. I believe that the Claims 1-7 structure and dependent relationship is

the best way to show the value of this invention. My Claims 1-7 and amended specification should be allowed and printed by your office as soon as possible.

I mailed a letter to you on August 6, 2010 to reply to your "Supplemental Notice of Allowability" mailed to me on August 4, 2010. I am glad to learn that "All claims being allowable" as shown on the first sentence of your notice again. I do not agree the "Examiner's Amendment" although it is better than the version mailed to me on May 17, 2010. I sent you a letter on August 2, 2010 to reply to your "Interview Summary" mailed to me on July 30, 2010. I mailed a letter on July 28, 2010 to reply to your "Response to Rule 312 Communication" mailed to me on July 20, 2010. I sent you a letter on June 29, 2010 to reply to your "Response to Rule 312 Communication" mailed to me on June 22, 2010. I sent you a letter on May 21, 2010 to reply your "Notice of Allowability" mailed to me on May 17, 2010. I am glad to learn that "All claims being allowable" as you stated. I sent the "Statement of the Substance of the Interview" to you on May 17, 2010 to response to your "Interview Summary" mailed to me on May 13, 2010. I sent my "Reply to 'Office Communication' and Request to Allow Claims 1-7" to your office on April 27, 2010 to reply your "Office Communication" mailed to me on April 15, 2010. I mailed the "Request for Reopen Prosecution before Examiner on the Decision of the Board of Patent Appeals and Interferences" under 37 CFR § 41.77(b)(1) to your office on February 7, 2010 and on September 27, 2009, which state enough factual merits and legal bases to oppose the Board's decision to sustain your rejection of Claims 1 & 3.

My patent application is very significant in both technology and economy fields. As the fact shows that delaying my patent approval has also deterred our "Hi-Tech" industry in the past decade. It has consumed ten years of my precious productive life now and ruined my career and my personal life. I require your office to approve and print my amended specification and Claims 1-7 as soon as possible.

Sincerely,

A handwritten signature in black ink that reads "George G. Yang". The signature is written in a cursive, flowing style.

George Guang Yang, Ph.D.
